PROFESSIONAL OVERVIEW

Creative and driven Digital Designer and Animator with a passion for 2D character animation, motion graphics, and visual storytelling. Known for a unique illustrative style and a strong foundation in storyboarding, I aim to bring concepts to life through expressive movement and thoughtful design. This involves merging static and animated elements to create engaging digital experiences across a variety of platforms. With a focus on and a determination to succeed, I am confident that my enthusiasm, dedication, and willingness to learn will make me a valuable asset to any company.
